

MISSION – Who we are

We are a public school where students are known personally, challenged intellectually and expected to participate actively in their learning.

Guided by our commitment to diversity and inclusiveness, we seek to send graduates into the world who **THINK** for themselves, **CARE** about others and **ACT** creatively and responsibly.

2018 VISION – What we will accomplish

We are an innovative public school that meets each and every student where they are as individuals and learners.

We do what it takes to inspire passionate, creative leaders and life-long learners who achieve personal greatness, are prepared for the future and engage with and give back to the world.
